***Item 11 on the agenda: Legal co-operation programme (C.D. (90) 10)***

The Council confirmed the decision it had taken, at its 89<sup>th</sup> session, that UNIDROIT should provide text search, case law and bibliographical information on instruments prepared by the Institute, while treatment of

instruments prepared by other organisations should be limited to the provision of links to websites that published their texts and status of implementation.

26. The Council also agreed that the level of information to be provided on instruments adopted by other organisations on the basis of work carried out by UNIDROIT (such as the Convention on the Contract for the International Carriage of Goods by Road-CMR) needed to be reconsidered and that, in view of its limited resources, UNIDROIT should no longer maintain the caselaw section in respect of the CMR.

*C.D. (90) 16)*

27. The Governing Council took note, with appreciation, of the report of the informal working group established by the Council, at its 89<sup>th</sup> session (Rome, 10-12 May 2010) to review the findings and suggestions for updating or redefining the Organisation's strategic objectives that were contained in a memorandum of the Secretary-General. The Council requested the Secretariat to prepare a revised version of the Strategic Plan, taking into account the Council's deliberations.

*General considerations*

28. The Governing Council stressed the invaluable role played by UNIDROIT as an independent intergovernmental Organisation with a uniquely broad mandate in the area of private law harmonisation, while recalling at the same time the importance of cooperation and coordination with other international organisations.

29. The Governing Council agreed that UNIDROIT should affirm and strengthen its role as a forum for the development of high-quality uniform rules, norms and principles on the basis of a carefully defined and sharply focused Work Programme that took into account its relative advantages and expertise of the organisation, and that avoided both unnecessary duplication of efforts underway elsewhere and inefficient dispersion of its scarce resources.

*Working methods of the Governing Council*

30. The Governing Council generally agreed on the desirability of involving all member States in the assessment of the progress made in the implementation of the Work Programme.

31. The Council decided to make systematic use of the authority given to it by article 16 of the UNIDROIT Regulations to request representatives of member Governments that have no nationals sitting on the Council to attend its meetings in a consultative capacity.

32. The Governing Council requested the Secretariat to make the documentation for sessions of the Governing Council available to all member States prior to the relevant session.

***Item 18 on the agenda: Preparation of the draft budget for the 2012 financial year***  
*(C.D. (90) 17)*

33. The Council generally approved the draft budget for the 2012 financial year and commended the Finance Committee and the Secretariat for having launched the process of revising the contributions chart of UNIDROIT. The Council appealed to its members to assist the Secretariat in that process.

34. In that connection, the Council agreed to submit to the General Assembly a proposal for a set of new regulations introducing progressive reductions in the amount of expatriation allowance payable to staff members that may be appointed after 1 January 2012.

***Item 19 on the agenda: Procedure for the selection and appointment of a Deputy Secretary General***

35. The Council agreed that, subject to the outcome of the ongoing reclassification process, the Secretariat should take the necessary steps to organise, later in the year, an open international competition for the selection of a Deputy Secretary-General under the guidance and responsibility of a Sub-committee of the Permanent Committee that would report back to the Council for final approval.

***Item 20 on the agenda: Date and venue of the 91<sup>st</sup> session of the Governing Council***  
*(C.D. (90) 1 rev.)*

36. The Governing Council agreed that its 91<sup>st</sup> session would be held from 7 to 9 May 2012 in Rome.

**adopted by the Governing Council at its 90<sup>th</sup> Session on 11 May 2011**

THE GOVERNING COUNCIL,

RECOGNISING the constant and active support of Italy in the promotion of UNIDROIT and its activities;

EXPRESSING its gratitude to the Government of Italy for the generous contributions, financially and in kind, provided throughout the years;

NOTING that the current financial downturn and its impact on public finances have led the Government of Italy, in the years 2009 and 2010, to reduce its statutory contribution;

**INVITES**

the President to explore with the Government of Italy the possibility of restoring its contribution to the level at which it was set in the year 2008, of expressing such contribution as a percentage of the total ordinary expenditure of the Institute or as a number of units of contribution to the UNIDROIT budget and of including this expenditure among the obligatory expenses of the budget of the Italian State.
