1 The revised version of the preliminary draft Protocol referred to under this item on the revised draft agenda has been prepared by Sir Roy Goode (United Kingdom) and Mr J.M. C.G.E./Space Pr./3/Report, §§ 71 and 72). This revised version incorporates not only those amendments made to the preliminary draft Protocol during the third session but also language intended to cover those conclusions reached by the Committee of governmental experts but which the Drafting Committee did not have time to implement during that session.
