Forthcoming Report of the Finance Committee (UNIDROIT 2025 -

F.C. (100) 9)

- 1. The Budget for the 2024 financial year, approved by the General Assembly at its 82^{nd} session (14 December 2023), provided for an actual expenditure of \in 2,555,742.00 to be met by actual receipts of \in 2,555,742.00 (A.G. (82) 9).
- 2. Following the review by the Finance Committee at its 98^{th} session, the General Assembly, at its 84^{th} session (12 December 2024), approved the proposed adjustments to the Budget for the 2024 financial year. Such adjustments included increasing the expenditure by \in 29,128.00 in light of anticipated higher costs for salary payments (Chapter 2), administrative expenses (Chapter 4) and maintenance (Chapter 5), providing for an actual expenditure of \in 2,584,870.00. This was to be met by actual receipts of \in 2,584,870.00 (<u>A.G. (84) 4</u>), which, as illustrated at the time by the Secretariat, presented the optimistic assumption of all contributions being paid in full.
- 3. The Accounts for the 2024 financial year (F.C. (99) 2) indicate that actual receipts amounted to € 2,319,614.81 and actual expenditure amounted to € 2,620,269.42. The cash account at the close of the 2024 financial year showed a balance of € 90,465.80, resulting from the positive balance of € 391,120.41 carried over from the 2023 financial year minus the debit balance in 2024 of € 300,654.61. The debit balance in 2024 was due to unpaid Member State contributions in 2024 of around € 186,000 and a higher expenditure of around € 114,000. The higher expenditure was a result of (i) higher costs for salaries (Chapter 2) of around € 84,000 due to an increase in the UN salary scale that was used for the calculation of salaries of UNIDROIT staff, and the payment of allowances for new family members; (ii) an increase in administrative expenses (Chapter 4) of around € 10,000, mostly due to an increase in Internet capacity; (iii) an increase in maintenance

costs (Chapter 5) of around € 20,000, mostly due to the purchase of new office equipment for additional temporary staff, and increased labour costs (e.g., for cleaning the new Library Annexe and terraces of the Institute whose drains clogged following a massive storm).

- 4. The credit balance in the Working Capital Fund at the close of the 2024 financial year was \in 375,387.35.
- 5. To facilitate the reading of the Accounts, a summary of the receipts (in euro) is indicated below:
