Fifth session  
Agenda item 62

RELATIONS OF STATES MEMBERS AND SPECIALIZED AGENCIES WITH SPAIN

Resolution adopted by the General Assembly at  
its 304th plenary meeting on 4 November 1950

(adopted on the report of the Ad Hoc Political Committee (A/1473))

The General Assembly,

Considering that:

The General Assembly, during the second part of its first session in 1946, adopted several recommendations concerning Spain, one of which provided that Spain be debarred from membership in international agencies established by or brought into relationship with the United Nations, and another that Member States withdraw their Ambassadors and Ministers from Madrid,

The establishment of diplomatic relations and the exchange of Ambassadors and Ministers with a Government does not imply any judgment upon the domestic policy of that Government,

The specialized agencies of the United Nations are technical and largely non-political in character and have been established in order to benefit the peoples of all nations, and that, therefore, they should be free to decide for themselves whether the participation of Spain in their activities is desirable in the interest of their work,

Resolves:

1. To revoke the recommendation for the withdrawal of Ambassadors and Ministers from Madrid, contained in General Assembly resolution 39 (I) of 12 December 1946;
2. To revoke the recommendation intended to debar Spain from membership in international agencies established by or brought into relationship with the United Nations, which recommendation is a part of the same resolution adopted by the General Assembly in 1946 concerning relations of Members of the United Nations with Spain.
